NEED FOR THE RULE(S)

The Workers' Compensation Board needs to amend its procedural rules related to rulemaking, OAR 438-022-0005 (Adoption of Attorney General's Model Rules) and OAR 438-022-0010 (Notice of Rulemaking), to allow notice of rulemaking to be provided electronically, to make the rules consistent with statute, and to increase accessibility to the Board's rulemaking actions.

ORS 183.341(2) requires state agencies to adopt rules of procedure for rulemaking actions. OAR 438-022-0005 adopts by reference the Attorney General's Model Rules for Rulemaking, but does not inform the reader where to find the model rules. The Board proposes to add a note directing the reader where to find the model rules. In addition, changes are proposed to clarify language and enhance readability.

ORS 183.335(1)(a) and 183.341(4) require state agencies to adopt in rule the manner in which interested persons will be notified of the agency's proposed rulemaking actions. OAR 438-022-0010 provides that interested parties will be notified of the Board's proposed rulemaking actions by mail. ORS 183.335(8), however, allows any person to request rulemaking notice by electronic mail, and ORS 183.335(1)(d) requires rulemaking notice be delivered to certain legislators by electronic mail. The Board proposes to amend the rule to allow notice to be provided by email, consistent with statute.

DOCUMENTS RELIED UPON, AND WHERE THEY ARE AVAILABLE

- Memorandum to Board Members from Autumn Blake, Oct. 13, 2025
- Minutes of Workers' Compensation Board meeting, Oct. 23, 2025

These documents are or will be available on the Board's website at wcb.oregon.gov, or by calling 503-934-0123.

STATEMENT IDENTIFYING HOW ADOPTION OF RULE(S) WILL AFFECT RACIAL EQUITY IN THIS STATE

The proposed rule amendments are intended to increase the public's ability to access the Board's rulemaking actions and apply to any interested person or organization.

FISCAL AND ECONOMIC IMPACT:

The proposed rule amendments are expected to have a small positive fiscal or economic impact on other state agencies, units of local government, and members of the public by reducing the amount of physical mail processing. The proposed rule amendments will have a positive effect on the Board through reduced mailing costs.

COST OF COMPLIANCE:

(1) Identify any state agencies, units of local government, and members of the public likely to be economically affected by the rule(s). (2) Effect on Small Businesses: (a) Estimate the number and type of small businesses subject to the rule(s); (b) Describe the expected reporting, recordkeeping and administrative activities and cost required to comply with the rule(s); (c) Estimate the cost of professional services, equipment supplies, labor and increased administration required to comply with the rule(s).

(1) These rule amendments would allow any person or organization, including small businesses, to request to receive notice of the Board's proposed rulemaking actions by mail, email, or both. The amended rules will require no additional activities or costs to comply.

(2)(a) Less than 900 small businesses will be subject to the rules. They are those who elect to be notified of the Board's rulemaking actions.

(2)(b) The amended rules will require no additional activities or costs to comply.

(2)(c) It is estimated that the amended rules will not require professional services, equipment, supplies, labor, or increased administration to comply with the rules.

The Board invites public comment on any fiscal or economic impact of the proposed rule amendments.

DESCRIBE HOW SMALL BUSINESSES WERE INVOLVED IN THE DEVELOPMENT OF THESE RULE(S):

Small businesses were not involved in the development of the proposed rule amendments.

WAS AN ADMINISTRATIVE RULE ADVISORY COMMITTEE CONSULTED? NO IF NOT, WHY NOT?

The Board did not consult an advisory committee in proposing these rule amendments. The proposed amendments make the rules consistent with the Administrative Procedures Act and improve accessibility of the Board's rulemaking actions. The proposed rule amendments do not affect the substantive rights or obligations of the parties under the Workers' Compensation Law.
